

Grant Awarding Policy for Burton Bradstock Parish Council

Objective -Burton Bradstock Parish Council sets aside a small a sum of money every financial year for grants to local voluntary or charitable organisations where the activities will contribute to, and be of benefit to, the life of the people of **Burton Bradstock**.

Eligibility -Any grant made by Burton Bradstock Parish Council must:-

1. Directly benefit a significant number of Parish residents
2. Be used for the specific purpose for which it is claimed.

Criteria- To help applicants we have set out below some of the criteria we apply and questions that we ask in deciding whether to award a grant:

- How many Parish residents do or potentially could benefit from the activity?
- We do not normally consider national organisations unless there is a reasonably local and accessible facility that benefits Parish residents
- Is the money really needed? What is the organisation's financial position? Does it have significant reserves? Is it charging its users appropriately?
- Self help: what has the organisation done to fund the grant purpose? Is it actively fund raising more generally that applying for this grant?
- Sustainability: does the organisation have a sustainable "business model"? Does it need increasing (real term) annual grants in order to survive?
- Appropriate activities: does the organisation undertake activities that the PC would not wish to support, so that a grant could represent a cross subsidy to that activity?

Who Can Apply? - The applicant must be a charity or not-for profit voluntary or community organisation or provide a community service, and be able to demonstrate that any funding will directly benefit residents or enhance the environment within the Parish of Burton Bradstock.

Individuals, businesses and political parties are **NOT** eligible.
